Dear Families,

We are thinking of you and your children at this time and are missing our students tremendously. Many of us are parents ourselves and know how time-consuming it can be to find activities and resources for keeping students engaged and learning while they are home. To make this easier for our families, we invite you to check out the “HOME ENRICHMENT” tab we have added to our blog. Student completion of these activities is voluntary. Please visit our blog following the steps below:

1. Go to <https://tusd1gate.wixsite.com/blog>.
2. Click on the “HOME ENRICHMENT” tab located in the menu at the top of the page.
3. Select a link that best meets your family’s needs:
 - At Home GATE Enrichment Activities (Tech-Free)
 - Social Emotional Resources for Families
 - Additional Gifted Education Resources
 - Free Online Learning Opportunities

If your family chooses to utilize any of these resources and would like to email us a picture of your child(ren) doing the activities, they may get featured on our blog and/or Facebook page! If you are having difficulty accessing the blog or any of these resources, please email GATEdept@tusd1.org and we will be happy to assist you.

Stay well,
TUSD GATE Department
