Dear Blenman Eagles,

Welcome to the 2021-2022 school year! Thank you for choosing Blenman Elementary for your child's education! We commit to ensuring a positive, safe, and kind learning environment where your child can explore learning interests through advanced learning opportunities in our GATE cluster classes and art exploration in our OMA Gold Arts program.

Traditional on-campus school will look different this year as we ensure every safety protocol is followed from Pima County Health Dept.

Now that you have had time off for the summer, it is time to get back into school routines. It is so important for us to partner together to make the most of your child's time here at Blenman, that your child knows you value their educational experiences, and that we support their academic success. At Blenman Elementary, we have high expectations for our students' academics and behavior. We are a Be Kind school and teach to the 3 B's of Be Kind, Be Respectful, and Be Responsible. Blenman Eagles learn that school is a place to learn academics as well as how to be good person.

We will be conducting online registration for our families Monday through Friday through July from 8-12:30. The office will reopen July 19th 8:00am to 3:30pm. Please use your ParentVue information to register your returning student for the 2021-2022 school year. You now have the exciting online choice to register at TUVA, Tucson Unified Virtual Academy!

I look forward to another great year as we build our community and develop our students' individual strengths. Please mark your calendars for our Back to School ice cream social in our courtyard from 4:30-5:30 pm on Tuesday, August 4th.

Sincerely,

Kelly Mack
